

KP&P PSS LINE UP

PHOTO	DESCRIPTIONS	Q'TY	USAGE	STRENGTH / WEAKNESS
	E-BODY PROTECTOR <i>(Essential item)</i>	1 EA	1. Single sided with 1 x proximity sensor . 1 x impact sensor. Transmitter is 'built in' but it is removable for replacement/repair . (due to warranty policy)	S: Less technology means, the body protector is lighter in weight which is better for athletes, less technology also reduces the risk of malfunction or fault. The impact sensor is flat and congruent with the hogu shape. Both sensors are very quick and easy to replace if/when necessary // W: 'Single sided' creates a cost issue to some end users
	E-FOOT PROTECTORS <i>(Essential item)</i>	1 PAIR	1. Radio Frequency Identification (RFID). 2. Each pair has 2 RFID tags (Top & Bottom) 3. It needs to be checked by E Foot protector scanner before competition.	S: The socks are very reliable in combination with 'E-foot protector scanner' Which checks to see if the socks are a) genuine KP&P products, and b) functional. This helps to eliminate cheating as well as ensure the player is wearing fully functional socks. // W: Cannot be machine washed.
	RECEIVER <i>(Essential item)</i>	1 EA	1. Connected to Laptop 2. Receiving signals E Body Protectors, Referee scoring box & registered information will be sent to Laptop. 3. 1 pc of receiver controls one court.	S: // W:
	RECHARGER <i>(Essential item)</i>	1 EA	Available for Body protector & Referee scoring box to recharge.	N/A
	REFEREE SCORING BOX(1ea) <i>(Essential item)</i>	1 EA	1. 3pcs of Referee scoring boxes is required per 1 court. (PSS competition) 2. Vibration function. 3. Fist point, Technical point, Head point & 4 points.	S: // W:
	KEY PAD	1 EA	1. to input Start, Kye-shi, Si-gan, Kyung-go. 2. Easy to control & practice by the referee's call.	N/A
	ALUMINIUM CASE FOR RECEIVER AND RSB (referee scoring box)	1 EA	1. To protect Receiver & Referee scoring box (Storage & Transportation)	N/A
	E-FOOT PROTECTORS SCANNER <i>(Essential item)</i>	1 EA	1. To check E Foot protector's function ( reads RFID tags automatically)	S: Checks to see if the socks are a) genuine KP&P products, and b) functional. This helps to eliminate cheating as well as ensure the player is wearing fully functional socks. // W: N/A.
